# ENROLLMENT APPLICATION

## PET INFORMATION

*Please fill out this section for each pet*

Name: \_\_\_\_\_ Breed: \_\_\_\_\_ Sex (please circle): Male Female

Is your pet spayed/neutered (Circle One)? Yes No

Color/Markings: \_\_\_\_\_

Weight: \_\_\_\_\_ Age: \_\_\_\_\_ Birthday or Adoption Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

Microchip # (if applicable): \_\_\_\_\_ Rescue (please circle): Yes No

Vet Clinic: \_\_\_\_\_ Doctor: \_\_\_\_\_

Vet Address: \_\_\_\_\_ Vet Phone: \_\_\_\_\_

## PET BACKGROUND

Please describe any medical conditions or allergies that your pet has:

\_\_\_\_\_  
Please list all medications:

\_\_\_\_\_  
Has your dog ever been to daycare or been boarded in a social setting? \_\_\_\_\_ If so, where and how did the dog react?

\_\_\_\_\_  
Has your dog ever bitten a person or another dog? \_\_\_\_\_ Please give details:

# ENROLLMENT APPLICATION

## PET BACKGROUND CONTINUED

Has your dog been bitten by another dog? \_\_\_\_\_ Please give details: \_\_\_\_\_

\_\_\_\_\_

**Your Dog will be in a social daycare setting with potentially 30+ dogs and will see many different humans throughout the day at Earth Pups. Is there anything we should know that will help us try to ensure that your dog has a safe, enjoyable experience in that social setting? (i.e. Does your dog exhibit any dominance behavior? Is your dog afraid of puppies? Is your dog afraid of men? Does your dog try to eat foreign objects? Is your dog afraid of delivery people or meter readers? Does your dog try to escape through doors? Does your dog try to climb fences? – (If your dog can climb fences, a daycare setting with an outdoor back yard may not be safe for your dog.)**

## ACKNOWLEDGEMENTS Earth Pups Copy

**Your dog will be in a social daycare setting and it is important for you to know that while there are significant benefits to social play, there are also risks. Please acknowledge that you are aware of the risks of social play in a facility setting:**

\_\_\_\_\_ Play related injuries including but not limited to: abrasions on paw pads (especially for exuberant players), corneal abrasions (especially for brachycephalic dogs), abrasions on the face or body, pulled muscles, sprains or other soft tissue injuries. Earth Pups does pay careful attention to each dog and does inspect each dog upon leaving our setting, but you should also inspect your dog to make sure that no injury has been missed. It is especially important to watch for eye injuries as often times symptoms do not present themselves right away. If you notice your dog squinting or if there is significant discharge from an eye, we recommend that your dog be seen by a veterinarian right away to rule out eye injuries.

\_\_\_\_\_ Your dog may not come home as “fresh” as when he or she arrived. Earth Pups does wipe down every dog after a daycare or boarding stay; however, your dog may still smell a bit like he or she has been playing with other dogs. His/her feet may smell like our disinfectant and may be “filmy” from this disinfectant.

\_\_\_\_\_ Your dog may come home thirsty from daycare/boarding and may “gulp” water. We have a constant supply of water always available, but many dogs hesitate to drink from communal bowls or may not focus on drinking water. When a dog boards, water is available in their private suite or kennel, as well.

\_\_\_\_\_ Your dog may have a bit of loose stool or gastric upset upon returning home from daycare or boarding (especially for anxious dogs or dogs who are not used to boarding.)

\_\_\_\_\_ Your dog may lose weight during a boarding stay. He/she will be getting significant exercise each day and also may not eat as much as usual. It is our policy to notify parents if a dog does not eat at all for two consecutive meals.

\_\_\_\_\_ Your dog will be very tired when he/she comes home from daycare and especially upon returning from a boarding stay. He/she should regain full energy a day or so after returning home.

\_\_\_\_\_ Even though all dogs are fully vaccinated at Earth Pups, afflictions such upper respiratory viruses, parasites, viral canine papilloma warts (puppies and seniors are most at risk for warts) are still a remote possibility.

## DAYCARE AND OVERNIGHTS - PET PARENT AGREEMENT

I understand that before my dog(s) can participate in daycare or boarding at Earth Pups, the following is required:

- Dogs must participate in a behavior assessment to ensure that they are not aggressive toward other dogs or humans.
- All dogs must be well socialized and not show any signs of aggression, including food and toy aggression.
- Puppies must be 12 weeks old or older and fully vaccinated.
- Dogs must be spayed or neutered if over 6 months of age.
- Dogs must have up-to-date proof of the following vaccinations on file with Earth Pups: Rabies, DHPP (Distemper/Hepatitis/Parainfluenza/Parvovirus) and Bordetella/Kennel Cough. Titer results may be substituted for Distemper and Parvovirus vaccinations. Proof of a parasite-free fecal exam within the past 12 months is also required.
- A year-round flea and tick preventative is highly recommended. A year round heartworm preventative is also highly recommended.
- All dogs must be in good health and without any communicable conditions within the last 30 days. Any dog that has been ill with a communicable condition within the last 30 days will require veterinarian certification of health to be admitted or re-admitted to Earth Pups.
- All dogs must have a complete and current application on file with Earth Pups to use daycare or overnight services.
- All dogs must have a microchip and a City of Chicago Dog Registration (registration can be obtained on [www.cityofchicago.org](http://www.cityofchicago.org).) The City of Chicago requires that dog care providers collect the microchip number and receipt for dog registration/copy of the registration sticker for each client.

I certify (please initial by each and sign at the bottom):

- \_\_\_\_\_ My dog(s) meet(s) all of the above requirements.
- \_\_\_\_\_ I am the legal owner of the dog(s) on this application.
- \_\_\_\_\_ That, to my knowledge, my dog(s) has/have not been exposed to Kennel Cough, Distemper, Rabies or Parvovirus within the past 30 days.
- \_\_\_\_\_ My dog(s) is/are free from intestinal parasites.
- \_\_\_\_\_ My dog(s) has/have been vaccinated as required by Earth Pups.
- \_\_\_\_\_ I am aware of the Daycare and Overnights Pick-up/Drop-off Schedule.

## CLIENT AND RELEASE OF LIABILITY AGREEMENT

*Please initial next to each statement and sign below*

\_\_\_\_\_ I hereby hold harmless and indemnify Earth Pups , its agents, officers, sub-contractors, employees, pet owners, customers, and potential customers (Indemnified Parties) from any and all liabilities, financial or otherwise, for injuries to myself, my pet(s), or any other property of mine which may arise from services that are rendered by Earth Pups or as a consequence of my association with Earth Pups except to the extent caused by gross negligence, bad faith, or intentional misconduct of the Indemnified Parties.

\_\_\_\_\_ In consideration of the services rendered by Earth Pups, I agree to assume any all liability financial or otherwise, for the behavior and health of my pet arising in connection with such services. I waive any and all claims, actions, or demands of any nature, either foreseen or unforeseen, that I may have against Earth Pups relating to the care, control, health, and safety of my pet arising in connection with the services that are rendered by Earth Pups except to the extent caused by gross negligence, bad faith, or intentional misconduct of the Indemnified Parties.

\_\_\_\_\_ I hereby authorize Earth Pups, its agents, officers, sub-contractors, and employees to do whatever they deem necessary for the safety, health, and well-being of my pet while under the care of Earth Pups.

\_\_\_\_\_ By signing below, I acknowledge that I have read this agreement and release of liability in its entirety and agree to the terms. This agreement shall be binding for every time services are rendered by Earth Pups on my behalf.
